Re: Documents Requested in your FOIA Request Do Not Exist

Dear Ms. Weller:

You submitted a Freedom of Information Act Record Request for the following public record(s):

[T]he Public Records Request log listing all requests made of Detroit Wayne Mental Health Authority under the Freedom of Information Act for the period from January 1, 2018 through the receipt of this request.

As the FOIA Coordinator of Detroit Wayne Integrated Health Network (f.k.a. Detroit Wayne Mental Health Authority), I have searched for the record(s) and determined that it does not exist.

In the event you are not satisfied with this response, I want to advise you of your rights. You have a right to submit a written appeal to the head of DWIHN, Willie Brooks, President and CEO, that specifically states the word "appeal" and identifies the reason of reasons for reversal of this denial by myself.

In addition, you may also seek judicial review of this denial pursuant to MCL 15.240. If you seek judicial review and the Court determines that the public records are not exempt from disclosure, you may be able to receive attorney fees and damages in an amount not to exceed \$1,000.00.

Sincerely,

FOIA Coordinator, DWIHN
